

The Nova bookcase combines a TV unit, bookshelf, and display modules. Includes Shelf Module 45, Shelf Module 90, Glass Module, and TV Modules. Each module has two height options: 245 cm and 270 cm.

Shelf Modules

Two width and two height options are available. The 45 cm shelf module includes a closed storage compartment underneath. The frame is made of Aral MDF Lam. Shelves and uprights are soft stone lacquer painted. The back upright of the 45 cm shelf module is also soft stone lacquer painted. Features Samsung LED lighting, controlled by a remote. Uses Fors brand nickel hinges.
